

## **SOUL LIGHT - Thirty Nine**

### **PRAYER OF SAFE PASSAGE**

At present Australia is being ravaged by horrendous and uncontrollable fires in the south and torrential flooding rains in the north. Hundreds of Australians have lost their lives in these catastrophic events – and tens of thousands have had their lives changed forever.

This is a prayer I originally wrote for just one person.

I believe it may well help us all – in Australia and across the world – to assist those who have so suddenly and tragically passed over – as well as those left behind to pick up the charred – or drenched - remains of their lives.

I encourage you to share it as prayer with your family and friends.

### **PRAYER OF SAFE PASSAGE**

Dear God,

Our Creator, Source and Desire

As our countrymen and women return to Your loving arms we ask that both they and we may be comforted by Your Divine Peace!

We ask for the strength not to fear the unknown; knowing in the very depth of our being that all is safe within Your loving Heart!

We ask for the wisdom to understand the truth that everything and All that is made by You is made perfect and happens as is meant according to Your Divine Plan; knowing in the depth of our being that all is sweet within Your caring Embrace!

We ask for the insight to perceive the Real and to sense the eternal livingness of our souls; knowing in the very depth of our being that all is Life without end within the infinite expanse of Your forever-changing Universe!

We ask for the Power of Your all-encompassing Love; knowing in the very depth of our being that this Love will see us safely through all the trials and tribulations we encounter until we rest content, complete, entire and fully in the most Tender Bosom of Your Divine Bliss!

Knowing in our hearts that You do not suffer losses, we give You thanks and gratitude for Your every bountiful gift which you bestow upon us now and in the unlimited future which lies ahead of us each of us.

Help us to see the passing of our fellow Australians as we see the caterpillar enfolded in its cocoon prior to its release as a beautiful butterfly!

Help us to hear the passing of our fellow Australians as the sounds of the angelic Host welcoming Home more Beloved Souls!

Help us to sense the passing of our fellow Australians as the first step on a new adventure upon which they are shortly to embark!

Help us to surrender, with these Loved Ones, all our pain and grief - by helping us to recognise that silver cord of Life which will always bind them to us, us to them and each of us to each other!

As our friends, mates and loved ones leave their earthly raiment and step forward on their Path of Destiny, give each of us, dear Lord, the empowering courage of Your Spirit: that we may let them go with our fondest wishes, our deepest love, our sweetest desires and our complete faith in their safety within Your omniscient Kingdom of Life, Light and Love!

We give ourselves, dear Father, into Your care and use!

Amen.

Love and Blessings,

*Les*
